

IT 17120944 – Godamune G.A.P.J.

The screenshot displays the Microsoft Azure Machine Learning Studio (classic) interface. The browser address bar shows the URL: `studio.azureml.net/Home/ViewWorkspaceCached/84d8db537a31424ca6b187edbb034f9#Workspaces/WebServiceGroups/WebServiceGroup/9431942168a54f5aad2b860319354bfc/dashboard`. The page title is "Microsoft Azure Machine Learning Studio (classic)". The user profile in the top right is "Godamune G.A.P.J. it1712...".

The main content area is titled "experiment on loandataset [predictive exp.]". It features a left sidebar with icons for DASHBOARD, CONFIGURATION, General, Published experiment, View snapshot, View latest, Description, No description provided for this web service, API key, Default Endpoint, and a table of API HELP PAGE.

The "API HELP PAGE" table lists the following information:

API HELP PAGE	TEST	APPS	LAST UPDATED
REQUEST/RESPONSE	Test preview	Excel 2013 or later Excel 2010 or earlier workbook	2/12/2020 10:25:35 PM
BATCH EXECUTION	Test preview	Excel 2013 or later workbook	2/12/2020 10:25:35 PM

The bottom of the interface has a dark blue bar with a "+ NEW" button and a "DELETE" button.
